TO PRACTICE MASSAGE AND	:	
BODYWORK THERAPY IN THE	:

This matter was opened to the New Jersey State Board of
Massage and Bodywork Therapy ("Board") upon review of Evelisse
Nazario's application for certification dated August 22, 2012.
After September 4, 2012, the date on which the Board superseded

the Massage, Bodywork and Somatic Therapy Examining Committee, all applications for certification are deemed to constitute applications for licensure. Upon a review of the application, and the results of the Criminal History Background Check, it was ascertained by the Board that although the applicant had checked "no" in response to the questions relating to arrests on the application, she had been arrested on or about November 24, 2009 on charges of theft by deception and credit card fraud; she was admitted into a diversionary program, and the charges were dismissed on March 22, 2011. The applicant explained that she did not indicate the arrest on her application because it had happened three years ago, and she believed it had been expunged.

The Board finds that respondent knew or should have known that by failing to disclose the arrest on the application in response to the questions about arrests and/or convictions she was providing inaccurate information, and that she therefore engaged in misrepresentation on her application in violation of N.J.S.A. 45:1-21(b).

The Board finding that licensure as well as entry of the within order are appropriate, and sufficiently protective of the public health, safety and welfare, and for other good cause shown;

IT IS ON THIS 8th DAY OF January, 2013

HEREBY ORDERED AND AGREED THAT:

1. A \$100.00 civil penalty is hereby imposed upon respondent for the violation of N.J.S.A. 45:1-21(b). Payment shall be in the form of a certified check or money order, and shall be submitted along with this signed order.

2. The applicant's application for licensure shall be granted upon payment of all applicable fees and demonstration of satisfaction of all requirements for licensure, if she has not already done so.
